ascolding wife, consider yourself victor, proper trigunals. To produce that decision, the board will give every faculty in their powers and if there is any other mode of squanitation that positive good, the filed of your heart, judicial tribunals, more acceptance to the judicial tribunals, more acceptance to you, any suggestion by you for text purpose will not fail to receive the mompt and respectful considerable for goods, should not resusci is will be a sufficient perplexing theme the mean time. I have the account to be, very

respectfully, yours, N. BIDDLE, Pres't. Hop. LEVI WOODBURY. Sec'ty, of the Treasury, Washington,

BANK OF THE UNITED SINTES.

July 8, 1854. Sta: I had this day the honour of into ing you that the board of directors would a duct from the dividend payable to the Unite States on the 17th of this month, the amoun due to the Bank on account of damages on epinion and the interests of the People, the bill of exchange on the French Govern

rime, that in thus enforcing their right in this particular case, they desire not to be under sign overrant this sepis the craim true posts of as waiving any other claim upon the post he Bank for damages on the bill of Government, and they more especially wish it understood, that they do not wrive their claim for full compensation and indemnity for the violation of the charter of the Bank. rate examination, disallowed by the Fress by the removal from its ustody of the public funds, for the use of which the Bank had paid

> very respectfully, yours, N. BIDDLE, Pres't. Hon. LEVI WOODBURY,

Secretary of the Preasury, Washington. TREASURY DEPARTMENT.

Sin: Your two communications under date course pursued by the Bank over which course pursued by the Bank over which you preside, in determining to withhold a portion of the dividends one on the stock of the United States has excited much surprise in this department, and at the present time, is more to be regretted, as Congrass is not in session to provide for the deficiency thus caused in the Congress, the Jusual and appropriate the estimated revenue from the bank stock

The claim for damages which after Congrey had passed upon and re-ed to allow the claim, for the Bank to have it is stated that payment of part of the divi-dente is now refused, was disallowed by this dends is now refused, was disallowed by this taking the law in its own hands, or her setting itself above all law, is of a te with the general conduct of the institution, and evinces in a peculiar and striking the trackless and agregant spirit which characterized its whole course. The fact is, we believe, that at the time of krebange on France, it had in its nos. stituted any action at law against the claim-

is a smuch larger amount of the money is People which it was using for its own reft. How then can it be pretended that damages have been sustfined? If this of the Bank be safetioned, to what may the Bank be safetioned, to what may be the precedent lead? When the next and text dividend shall be due and fayable, the age of a failure in a stockholder to that the case of a failure in a stockholder to that the case of a failure in a stockholder to that the case of a failure in a stockholder to that the case of a failure in a stockholder to the Bank, was the only case where the charter the Bank, was the only case where the charter makes an express provision that he shall lose makes a present provision that he shall lose the benefit of the dividends, and in this in stance, that the United States, though a large safe the deposites. If he can rightfulstuckholder, was not pretended to have been stuckholder, was not pretended to have been stuckholder, was not pretended to have been smalled the dividends of the government guilty of any breach of this provision. Not guilty of any breach of this provision. withstar ding this, it would seem from your communications that the United States, though intimately connected with the Bank, by having conferred the great privileges in its character be still the state.
